

Care-full stories workshop: Feedback survey

Before you go, we'd like to ask you a few quick questions to help us further develop and improve this resource.

1. What did you enjoy about this session?

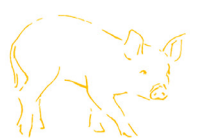

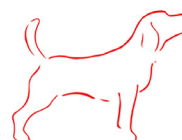

2. Was there anything you did not enjoy?

3. Have you received other training on the 'Culture of Care', and if so, how does this exercise compare to other training you have received?

4. Do you feel participating in this activity has given you new insights into Culture of Care?

5. Is there anything you might take from today's discussions you might use to promote the Culture of Care in your workplace?

6. A key aim of these exercises has been to encourage people working in very different roles within an animal research facility to see things from a different perspective – do you think it achieved this aim?

7. Is there anything you would change about today's session?

8. Having completed this workshop, is there any further training, support or resources you would like to help you build on or respond to things you have learned today?

9. Is there anything else you would like to tell us?
